## PATIENT INFORMATION CENTER

An Information Center  
Especially For Parents,  
And It's Absolutely Free!

# Disney FamilyFun

## A Patient Information Center – and it's FREE!

An attractive magazine “on the wall,” the **Disney FamilyFun** program provides your patients with up-to-date information that is indispensable for all parents.

The program offers readers a quick, light read of articles that deliver fun activities for the whole family.

The program will keep your patients occupied with easily accessible information brought to them by sponsors they can trust.

**Attractive Wood Frame**  
Solid handmade furniture built to last, the frame and case are bolted to the wall and are 3 1/2 feet wide by 2 1/2 feet tall.

**Targeted Editorial**  
With interesting, useful articles certain to capture the attention of every parent.

**Outstanding Design**  
Presented in full color, the appealing wallboard poster will make an attractive addition to your office or waiting area.

## Disney FamilyFun Program...

It's a perfect addition to your waiting room.

- Your patients will get information each time they visit your waiting area – waiting time becomes informative and more entertaining.
- It emphasizes your concern for their child's well-being.
- It is absolutely free!

### FREE for your patient area

Acceptance of our invitation to participate in this program entitles you to the following **without cost**:

1. A handsome wood display case
2. An updated poster replaced and serviced quarterly by our field service representative
3. Professionally written and edited articles featuring information to increase consumer knowledge
