# PATIENT INFORMATION CENTER

**An information center especially for expectant parents**

**—and it's absolutely free!**

# Your Healthy Pregnancy

## A Patient Information Center – and it's **FREE!**

An attractive magazine “on the wall,” the *Your Healthy Pregnancy* program provides your patients with up-to-date information that is indispensable for new parents.

The program offers readers a quick, light read of articles that deliver sound advice.

The program will keep your patients occupied with easily accessible information brought to them by sponsors they can trust.

**Attractive Wood Frame**  
Solid handmade furniture built to last, the frame and case are bolted to the wall and are 3 1/2 feet wide by 2 1/2 feet tall.

**Targeted Editorial**  
With interesting, useful articles certain to capture the attention of expectant parents.

**Outstanding Design**  
Presented in full color, the appealing wallboard poster will make an attractive addition to your office or waiting area.

**Your Healthy Pregnancy Program... It's a perfect addition to your waiting room.**

- Your patients will get information each time they visit your waiting area—waiting time becomes informative and more entertaining.
- It emphasizes your concern for their present and future comfort and well-being.
- It is absolutely free!

**FREE** for your patient area

Acceptance of our invitation to participate in this program entitles you to the following without cost:

1. A handsome wood display case
2. An updated poster replaced and serviced quarterly by our field service representative
3. Professionally written and edited articles featuring information to increase consumer knowledge
